As an artist sculpts clay,

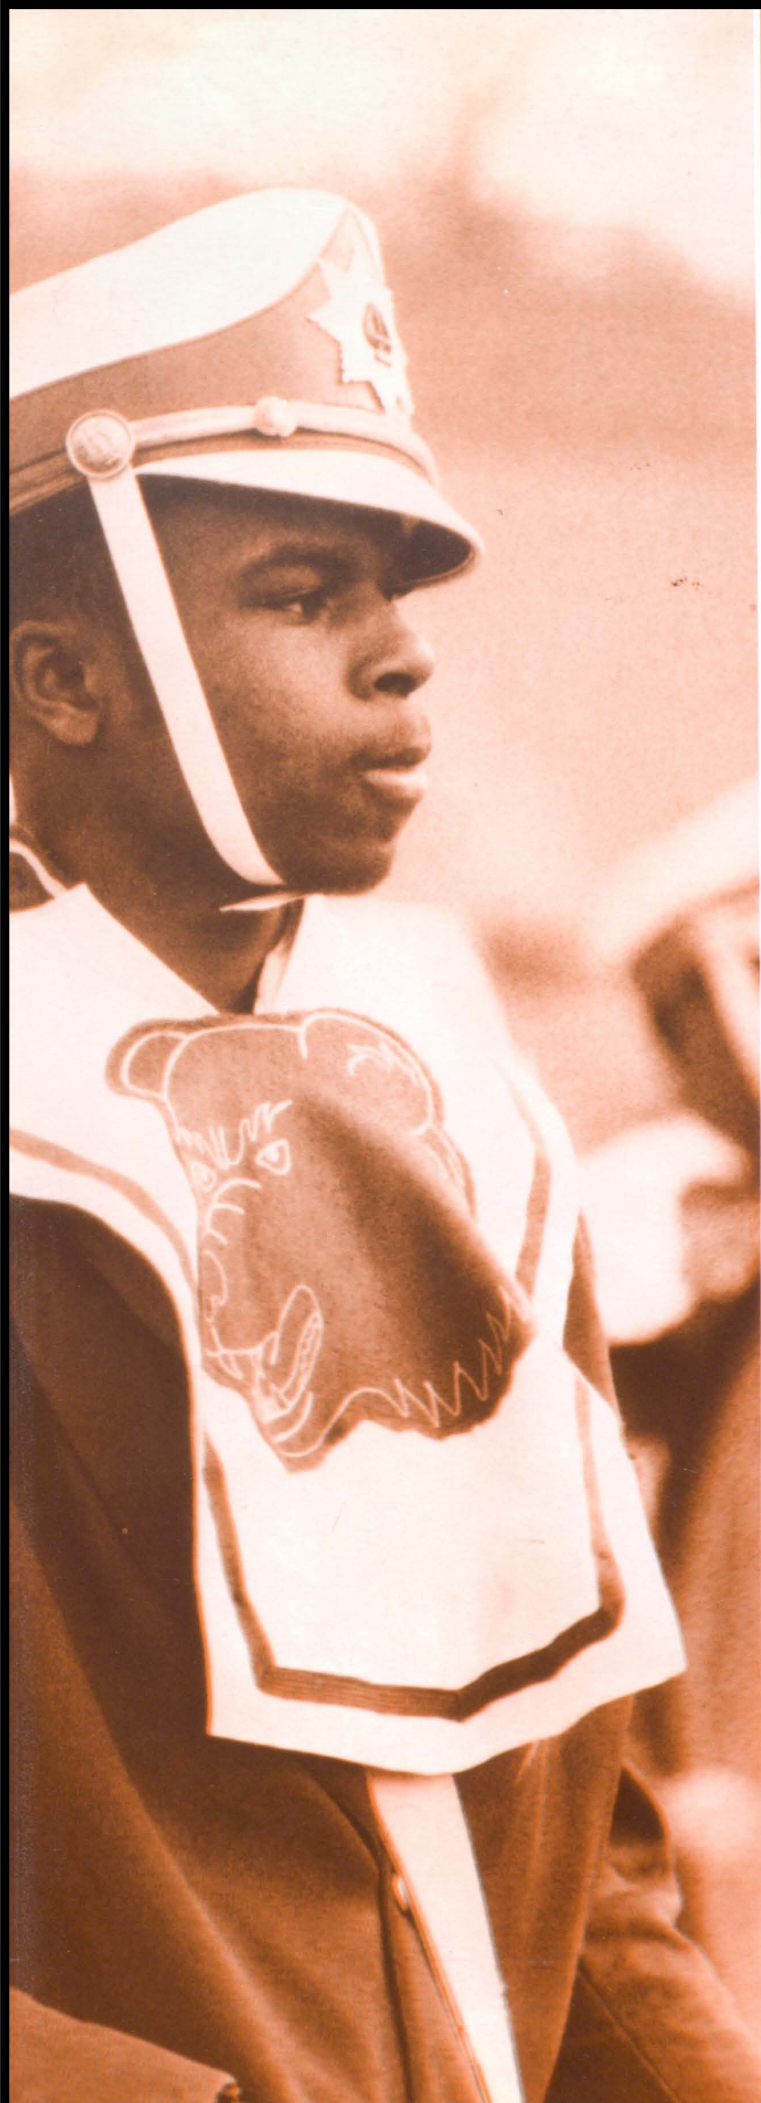

we too must shape our destinies;

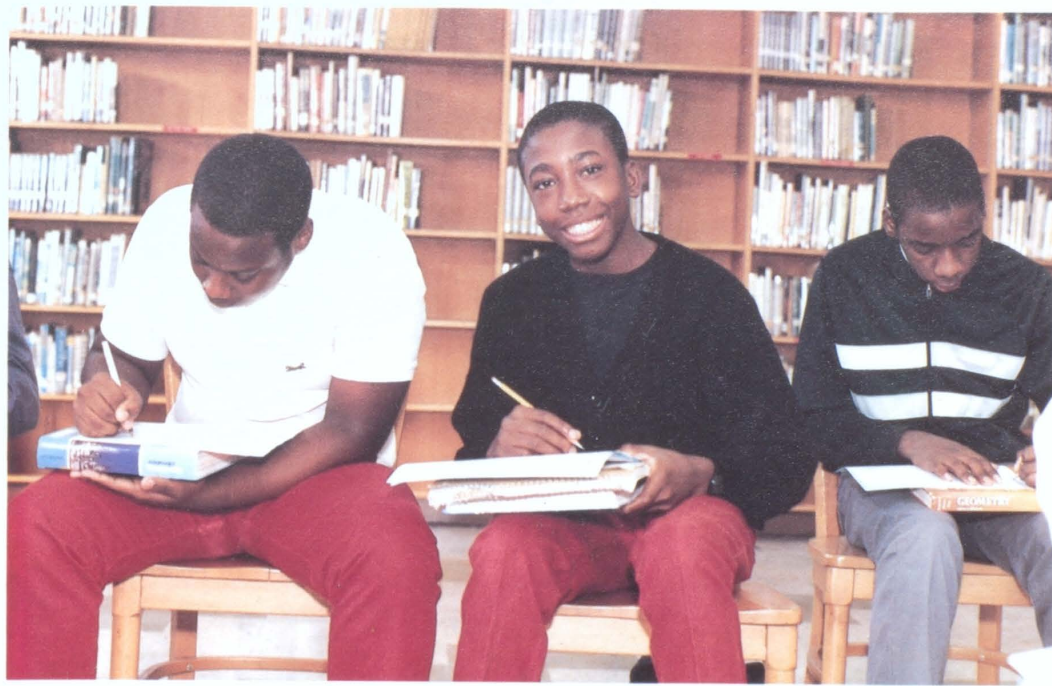

Thus materializing that which
we hold deep inside

As he chooses a
chisel or a brush,
we should also
select our
instrument of life

...

Each experience serving as a palette from

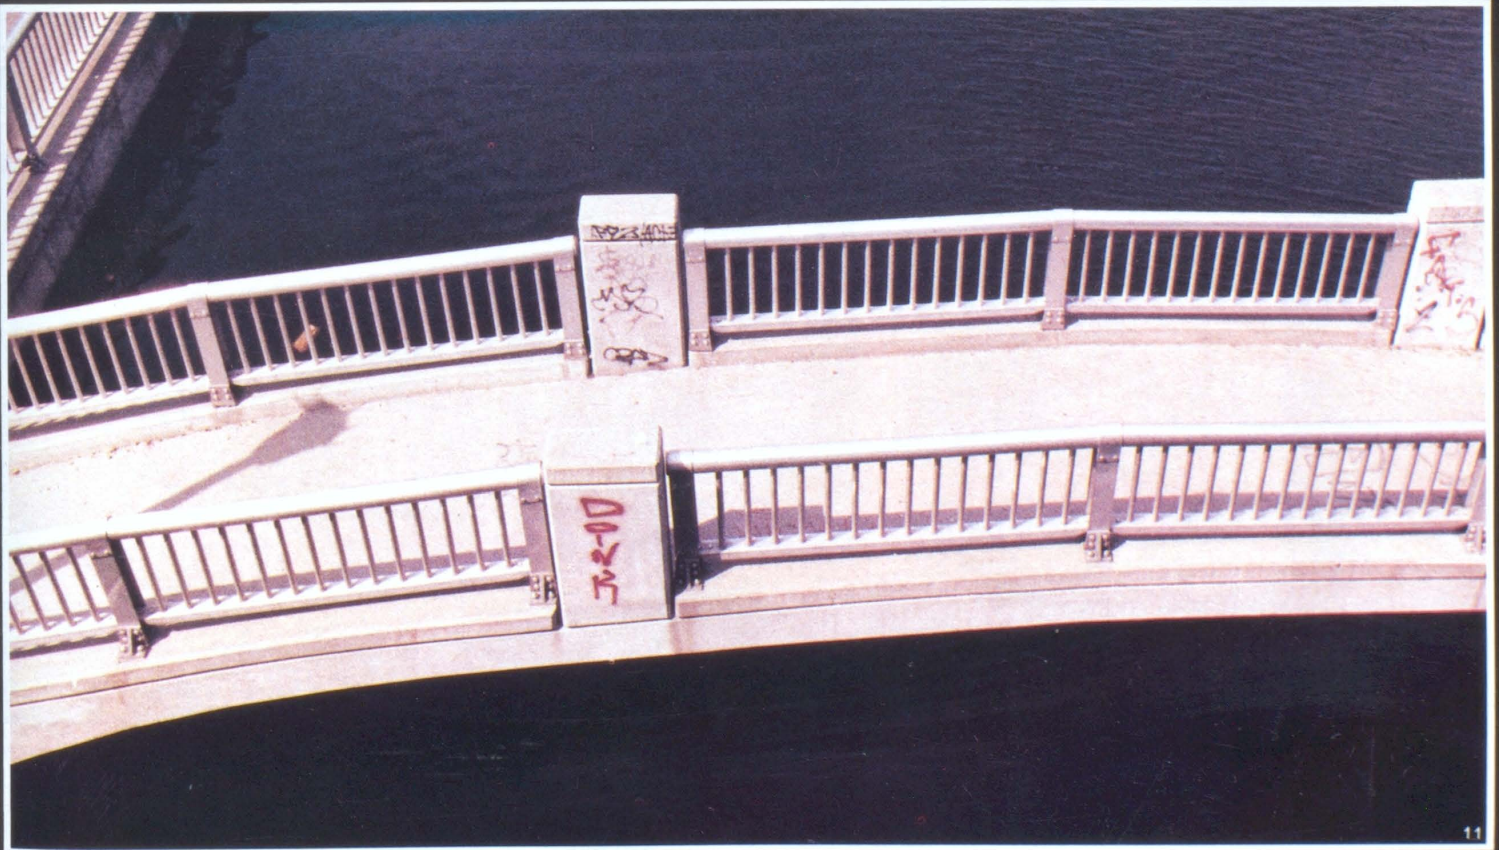

which we derive values, wisdoms and promises.

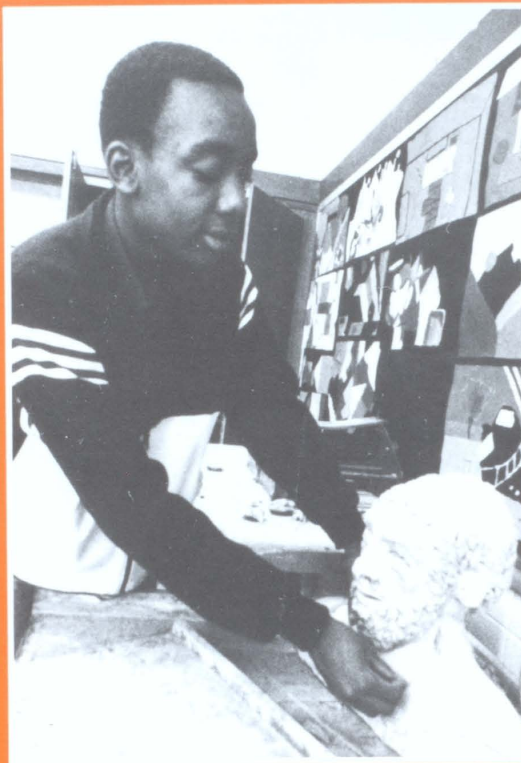

Consider the musician, as a craftsman,

always striving for excellence.

Just as we should perform

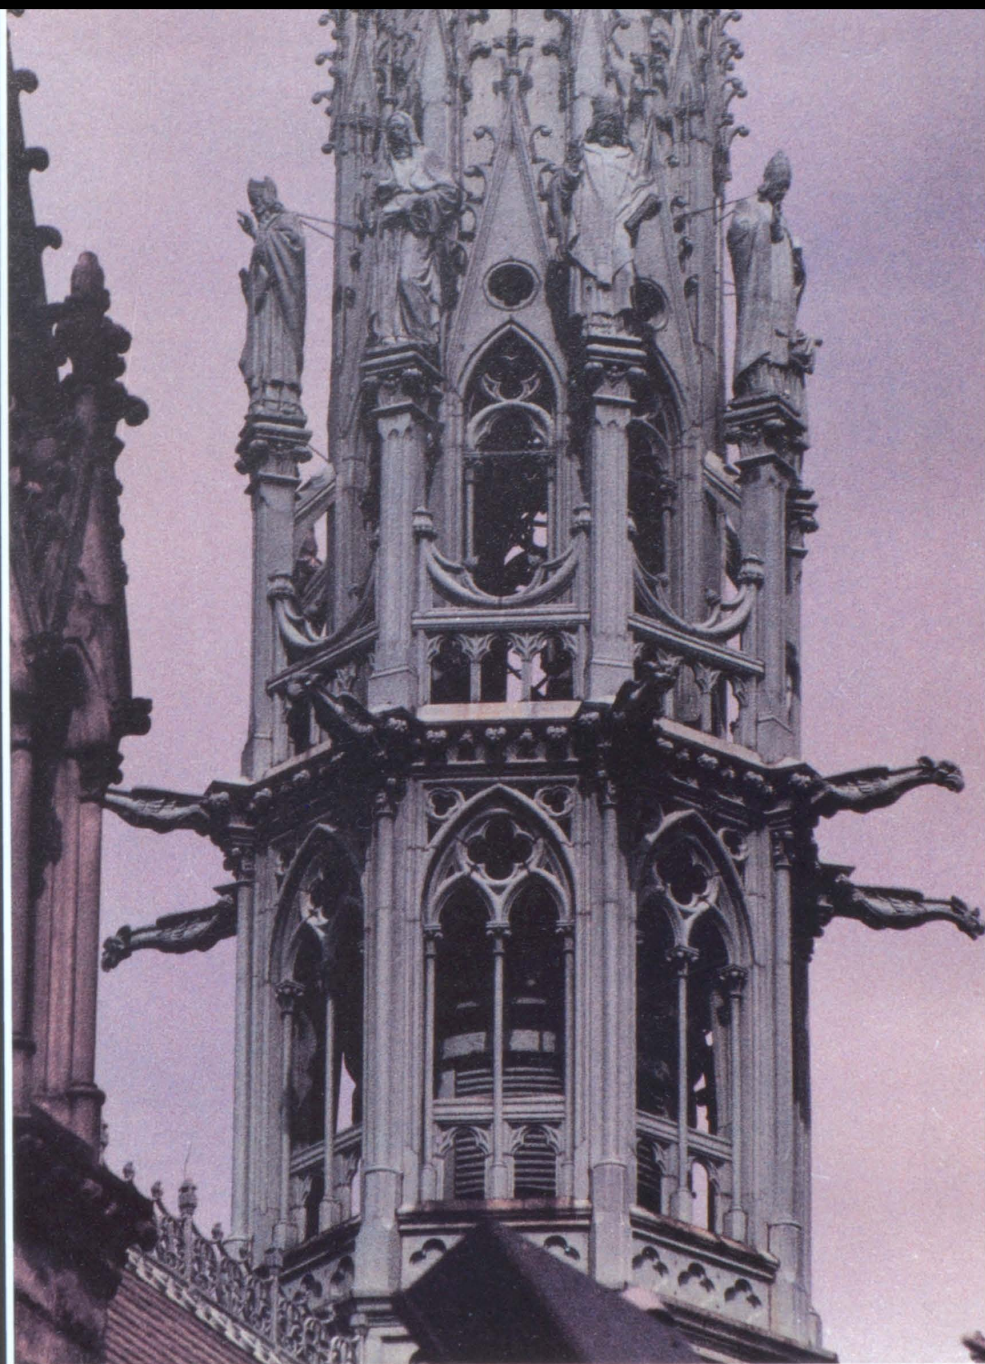

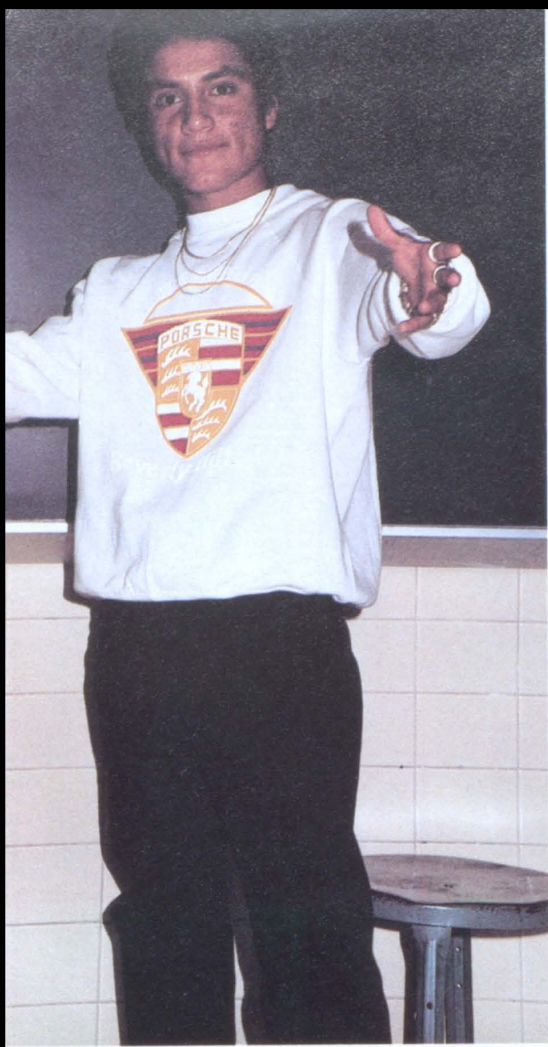

to our utmost potential

Every note symbolizing an accomplishment.

Like the sculptor, painter, and Musician

We too
will bring
harmony
and
beauty to
our world

FACULTY

MEET OUR NEW PRINCIPAL

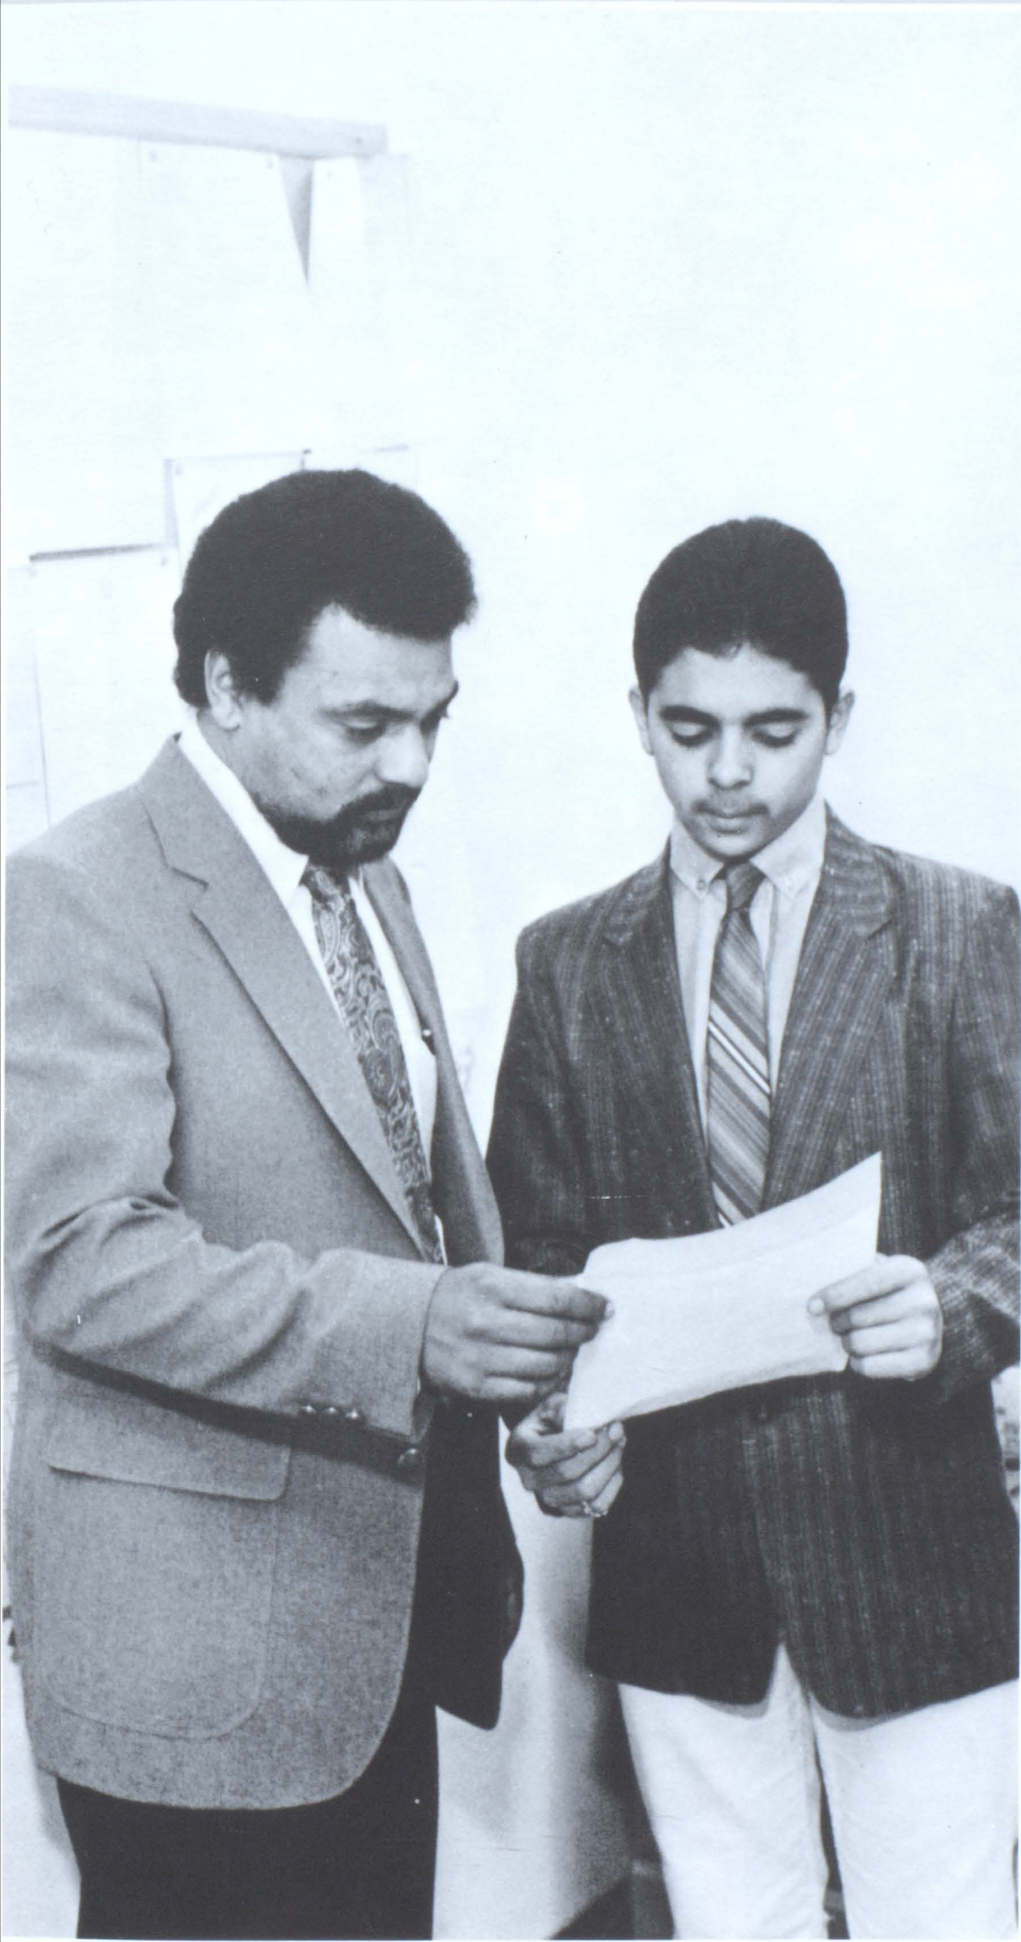

Ms. Rose Serra, Barringers new principal.

The Principal's job can be demanding as well as lonely. The buck literally stops here! It takes an authority figure, who is capable of displaying patience and fairness, mixed with perseverance, to endure at the helm of a school as large as Barringer. Our new Principal, Ms. Rose Serra has devoted many years of her life to the education of our children. She began her career at Barringer as a Math teacher. Then she moved up to Dept. Chairperson, Vice Principal and finally Principal. While being involved daily in decision making with Faculty members, Guidance personnel, and outside groups, Ms. Serra has always been approachable by the Student body. Whether she was standing at the front door in the morning greeting the students, or talking on the public address system Ms. Serra always made her presence known with a cheerful "Good Morning"!

VICE PRINCIPALS

As the school year unfolds, a proportional rise occurs in the complexity and variety of administrative responsibilities. Shouldering the additional burdens, and assuming an ever increasing role in school administration, are the Vice Principals. Each one supervises a certain phase of the work, thus dividing the tremendous task and assuring more efficient administration in all areas. The V.P.'s are an essential aid to the principal, assisting her with her many duties as well as fulfilling their own jobs in the most efficient way possible.

The secretaries in the main office and guidance office have jobs that only highly skilled organizers can handle. Without them Barringer could not function. Their jobs includes doing all the correspondence, school records, clerical duties and of course answering the numerous phone calls that the school receives daily.

To assist each student to understand himself and plan for his future are the goals of the Guidance Department. Besides scheduling courses for graduation requirements, counselors see students for help with personal, social, educational, and vocational matters. Scholarship competitions, Summer Programs such as Upward Bound, E.O.F. programs, and college acceptance in Pre-Med or Pre-Dental Financial Assistance Programs are all areas the Guidance Department exposes our students to. In order to be technologically literate in today's world, the high school graduate must have a basic understanding of science. Barringer is the only Senior H.S. in Newark in which the Science Department includes Electricity and Electronics among its courses. The Science Department also offers Barringer students a wide selection of both college and non-college bound courses. The Honors integrated science program offers a two year unified study of Chemistry and Physics with unique team teaching approach. Tutorial assistance is provided to all Science students.

Is it inches or meters? How do you use a computer? Is there a new math? In answering some of these questions the Mathematics Department stimulates the students to develop a working knowledge of basic math skills in preparation for employment or daily life. Courses for the exceptional individual are in the math curriculum. In this age of rapidly advancing technology and use of computers, the knowledge of mathematics becomes increasingly significant. Proficiency in the effective use of written and spoken language and the meaningful interpretation of literature are the basic objectives of the English Department. Therefore, in the regular course of study, the mandatory offerings emphasize the functional use of language and communication skills, writing, and various forms of literature. At the end of the senior year distinguished graduates receive prizes in English and English as a second language. Chairperson: Claire Roth

SOCIAL STUDIES

Why is youth in rebellion? Are the lines between capitalism and communism blurring? What has man achieved in his evolution through the centuries? These are some of the vital issues that our Social Studies class consider each day. Through the study of civilization students learn to think, to evaluate, to determine, to interpret, and to apply knowledge to the solution of everyday human problems. Course offerings such as Law in Action, Sociology, Psychology, and Labor Studies prepare students to be active, aware citizens. Chairman: Louis Maralakis

Business Education students learn how to cope with society and in their own homes by becoming familiar with real life situations: keeping a checkbook, buying insurance, keeping a budget, filling income tax returns, etc. While the department prepares students to succeed and advance in business, the outstanding students are encouraged to go to college to pursue professional careers in accounting, computer programming, and the teachings of Business Education. Physical fitness seems to be an increasing concern in America today. Our Physical Education dept. offers courses and activities that motivate Barringer students to pursue a higher degree of fitness. Through sports such as Volleyball, Basketball, and Track, the participants develop their skills and bodies. Apparatus techniques and routines are employed to maintain strength, improve coordination and encourage social interaction. The dept. also offers a variety of health education courses to prepare the students for a stable, rewarding family and community life. Chairman: Frank Verducci

The creative approach is the direction the Art Department follows in relating the subject of Art to the realities of life. Art Foundation, Art Survey, General Art, and Studio Art comprise the course offerings. These Art courses are designed to encourage awareness of aesthetic values; to explore various Art media and materials; and to develop the creative potential of each individual. Many senior Art students graduate from Art schools to become Commercial Artists, professional photographers or Art instructors.

To become successful employees, homemakers, and parents, and to learn techniques in consumer awareness, Barringer students can elect a course in Home Economics. The Cooperative Work Study program prepares students to be successful employees through job training and actual part-time employment. Food and Clothing class develops the student's homemaking skills while Consumer Education teaches purchasing skills. There is also a course titled Early Childhood where students actually work with young children in a room decorated and furnished like a nursery school.

The study of modern foreign languages is vital to communicate in a shrinking world. An asset in many ways: business, industry, commerce, civil service education, law, media, science, and many more jobs. At Barringer the Foreign Language Department aids the students in the progressive ability to speak, read, express, and ultimately to comprehend and enjoy a second language. The geographical, political, and cultural aspects of the foreign nation are studied as well as its contributions to western civilization. Chairman: Dr. John Giannini

MEDIA CENTER

Cynthia Salzano

A multi-media center, a study hall, a meeting place, an instructional area, Barringer library has become all of these. Through systematic selection of books, pamphlets, records, and magazines, the librarians have accumulated collections of materials most beneficial to students interested in study programs.

EDUCATION

Children and youth in need of special education are not limited to specific categories. Rather they include all those who require unusual curricular or instructional adjustment throughout their school career or some significant portion of it. Barringer's special education is built on the concept of understanding unusual differences among the school-age population and meeting individual needs.

ALMA MATER

Over many a city old,
famed in song and story,
Temple grey and castle hold
catch the sunset glory.
So our Alma Mater proud
looks o' ver vale and meadow
High between the sailing cloud
and its drifting shadows.
For her colors, first the blue
of the April valley
Then December's wintry Hue,
when the storm winds rally.
Barringer, thy fame we raise,
many voice blending;
Through the years we pledge
thee praise loyal to life's ending.

IN MEMORY OF TONYA SMITH

Tonya Smith-1969-86

Most of us are completing our English assignments, many of us are planning for the future. Some are even going to the Recruiting Centers. But one of us is traveling to the world beyond. The world which none of us has ever seen, yet one which we all have heard about, a place where we all will go. But Tonya Smith was one of us, who visited this everlasting place first. We all know she'll be safe. She now has peace and quiet. So Tonya, this is a note from "The Class Of 87", to you . . . Take care and "we love you." Wanda Raimo

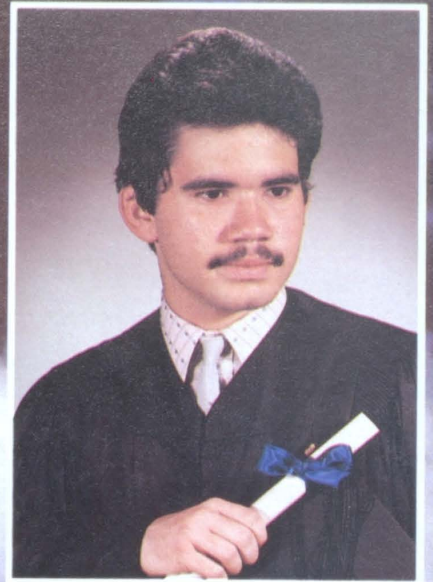

When we think of Tonya Smith, we remember a sweet and lovable young lady. We were very honored to have had her with us. We were also very sad to see her taken away so young. She was a wonderful friend, deeply loved by everyone who knew her. She's gone, but certainly not forgotten. On behalf of the Senior Class, we offer our condolences to her family. WE WILL REMEMBER HER . . . ALWAYS

Pep Rally 86

The cheering was heard as far as Park Ave. as the Student Body urged the Football team on to victory. On Nov. 21, 1986 the Marching Band, cheerleaders, flag wavers, gun twirlers, bannerettes and faculty joined our students in saluting our Gridiron athletes. On the eve of the state championship playoff game with Union, the entire school joined in to wish our team a successful day.

BLUE JACKETS

The Blue Jackets originated in the "old" Barringer, and were a highlight at all the concerts. The group has been formed to perform many styles of Big Band Jazz as well as contemporary Rock and Soul music. The members of the Blue Jackets are the "cream" of the student musicians at Barringer. The band performs at school concerts and assemblies, and at the Teen Arts Festival where they always steal the show. Advisor: Nelson White

Photography is more than just a skill that you obtain through practice, hard work, and determination. It's an adventure that's far beyond the aspects of your imagination. With the aid of the yearbook photographers, the Atheneum staff is able to assemble the Barringer Yearbook.

1987 ATHENAEUM YEARBOOK STAFF

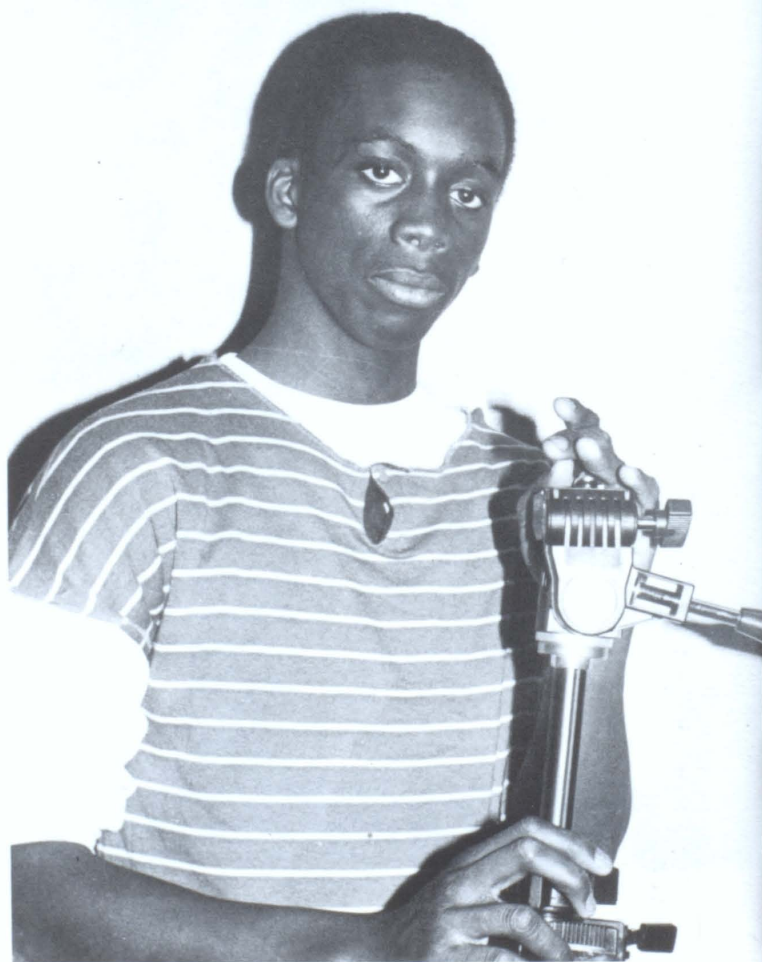

If an unexpected visitor were to walk in on a Yearbook meeting, the scene greeting him would be of bustling chaos. Working furiously to meet the deadlines, the Staff of 30 members eventually dwindled down to 2 workers: Veronica Blamasah and Tom Sales. Staying until 5-6:00 daily, these students found that a sense of humor, and dedication helped combat little insignificant details such as scarcity of two essential elements: Time and Money.

STUDENT COUNCIL

The Student Council represents the student body. Through this organization, students can make suggestions and express their opinions. The representatives also serve as hosts for the school. Some of the activities of the Council are hearing guest speakers throughout the year, sending representatives to the P.T.S.A. meetings, selling refreshments at the basketball games, and taking part in the Citywide Student Council. Aspira Organization provides Hispanic students with information on various careers, colleges, S.A.T. Review Courses, Financial Aid, etc. Aspira gives information on Grants, Fellowship and Scholarships. Aspira has a tutorial Program in Math and Science for students who need tutoring in those subjects. There is also a summer program in which the students are placed to work in companies such as IBM, N.J. Transit, etc. Aspira also has computers in which students practice to improve and enhance their Math, English and Science skills. Advisor: Madga Nelson Navarrete

MARCHING BAND

The main promoters of spirit during this 1986-87 year have been, as always the Marching Band. The basic goal of the band is to build an enthusiasm for music along with musical taste so that performance standards worthy of each participant's abilities can be achieved. The band performs at football games, parades, and concerts throughout the school year. Members of the band who have developed a high level of musical skill are selected to perform in special ensembles such as : Blue Jackers, Brass Ensemble, Percussion Ensemble and Woodwind Ensemble. THE PROUD BLUE BEARS

In all team sports our players struggle to make the Student Body proud of our School. This year our football team became City Champs with a record of 6-0. Overall the team tally was 8-2. The squad captains were Nate Bradley, Don Marrow, David Foster, and John Culver. The team had a strong defense(6 shutouts, only allowed 37 points) and a balanced offense(scored 148 points Sidney Robinson and John Culver). The senior standouts were James Daniels-LE, Alberto Rodriquez-LT, Larry Coates-LE, Lamont Carmon-C, David Foster-RG, Don Marrow-RT, Bruce Simpson-WB, Jose Crespo — WB, Roger McIver-SE, and Nate Bradley-QB. Best defenders-defensively Karl Joe (8 interceptions), John Culver, Lamont Carmon, Don Marrow, David Foster, Nate Bradley, Sidney Robinson, Roger McIver, and Alberto Rodriquez.

High Scorers: Sidney Robinson-68 Roger McIver-30 John Culver-24 Barringer anticipated difficult competition from North Bergen and St. Peters in the state playoffs, but the Blue Bears prevailed by bearing both teams. In the Semi-Final playoff game we lost to a powerful Union team by only 4 points, with the final score Barringer 6 and Union 10. Next year it is going to be a rebuilding year for the coaching staff since most of the players are seniors. Mr. Antonacci and coaching staff deserve credit for bringing Barringer from a second rate team to a squad we at Barringer are all proud of. When the season ended, Coach Antonacci was selected as the Essex coach of the year by the Star Ledger.

BASKETBALL

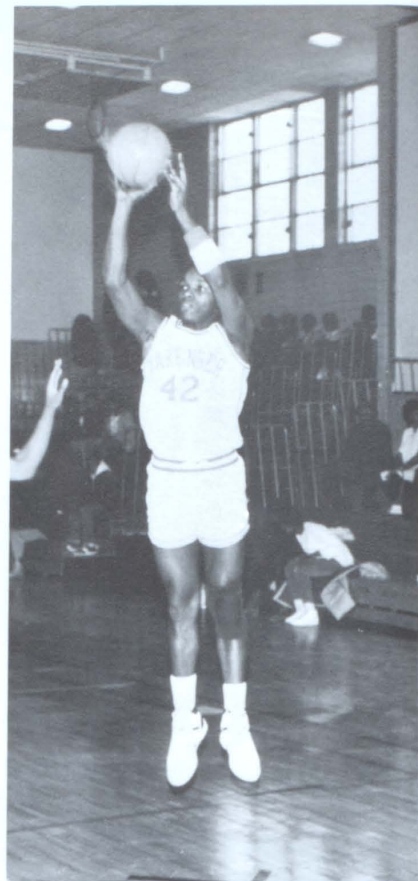

This year has been a disappointing season for the Barringer Basketball team. Although our record was 14-8, we were able to take 2nd place in the Christmas Classic, 2nd place in the City League, and all season has maintained a ranking of 6 to 7 in the county. However the team has qualified for the State Tournament. In proformance: Ronald Twitty "swing man" was an excellent shooter; Roger McIver lead the team in steals and assists; Bruce Simpson was the leading rebounder; and Danny Frazier played a strong inside game. While in J.V. basketball the Blue Bears took the City Crown for a 6th year in a row and ended the season with 19 wins and 2 losses. Coaches Frank Lucas and Dexter Davis have their work cut out for them next year rebuilding their team.

The Softball team has always tried their best to bring pride into Barringer High School. As a team they have always given each other confidence and support during every game. Coach Matthew Rivers has always encouraged the team and during every practice he made them aware of their errors and how to improve them. In 1985, Barringer girl's softball team became city champions by defeating East Side High School on the last game of the season. Five of the girls are still on the team since their sophomore year and are now seniors: Veronica Palmer (pitcher), Irene Garcia (outfielders), Della Goods (catcher), Valerie Keaton (third base), Leilani Confair (short stop). In 1986, Barringer girl's softball team were runner-ups in the city competition. The team was composed of Damaris Rivera, Della Goods, Irene Garcia, Veronica Palmer, Rosalina Santiago, Valerie Keaton, Leilani Confair, Adella Garcia, Janell Keith, Garah, Tasha, Beulah, Marilyn Hernandez, and Tammy Green. Barringers 1987 Team finished with the City Championship.

'Platoon' Remains No. 1 In Box-Office Earnings

LOS ANGELES, Feb. 18 (AP) — "Platoon," Oliver Stone's war drama, earned \$12.9 million last week to remain in first place at the box office and more than double the earnings of the second-place film. Receipts from the holiday weekend ran 11 percent ahead of last year's box-office figure, "Platoon," which played in 1,194 theaters and had a per-screen average of \$10,785. The film has earned \$54.8 million in nine weeks of release.

"Outrageous Fortune," the Bette Midler-Shelley Long comedy from Disney, remained in the No. 2 spot with earnings of \$6.3 million in 1,362 theaters.

"Mannequin," a film about a reincarnated Egyptian princess, earned \$6 million in its debut week at the No. 3 spot.

"Over the Top," Sylvester Stallone's arm-wrestling adventure, earned \$5.1 million in its first week for fourth place, and "Black White" dropped from fourth to fifth place the week, earning \$4.1 million.

A Dedication to Teofilo Lorenzo

"Time Will Heal All The Pain" by Iris Y. Figueroa

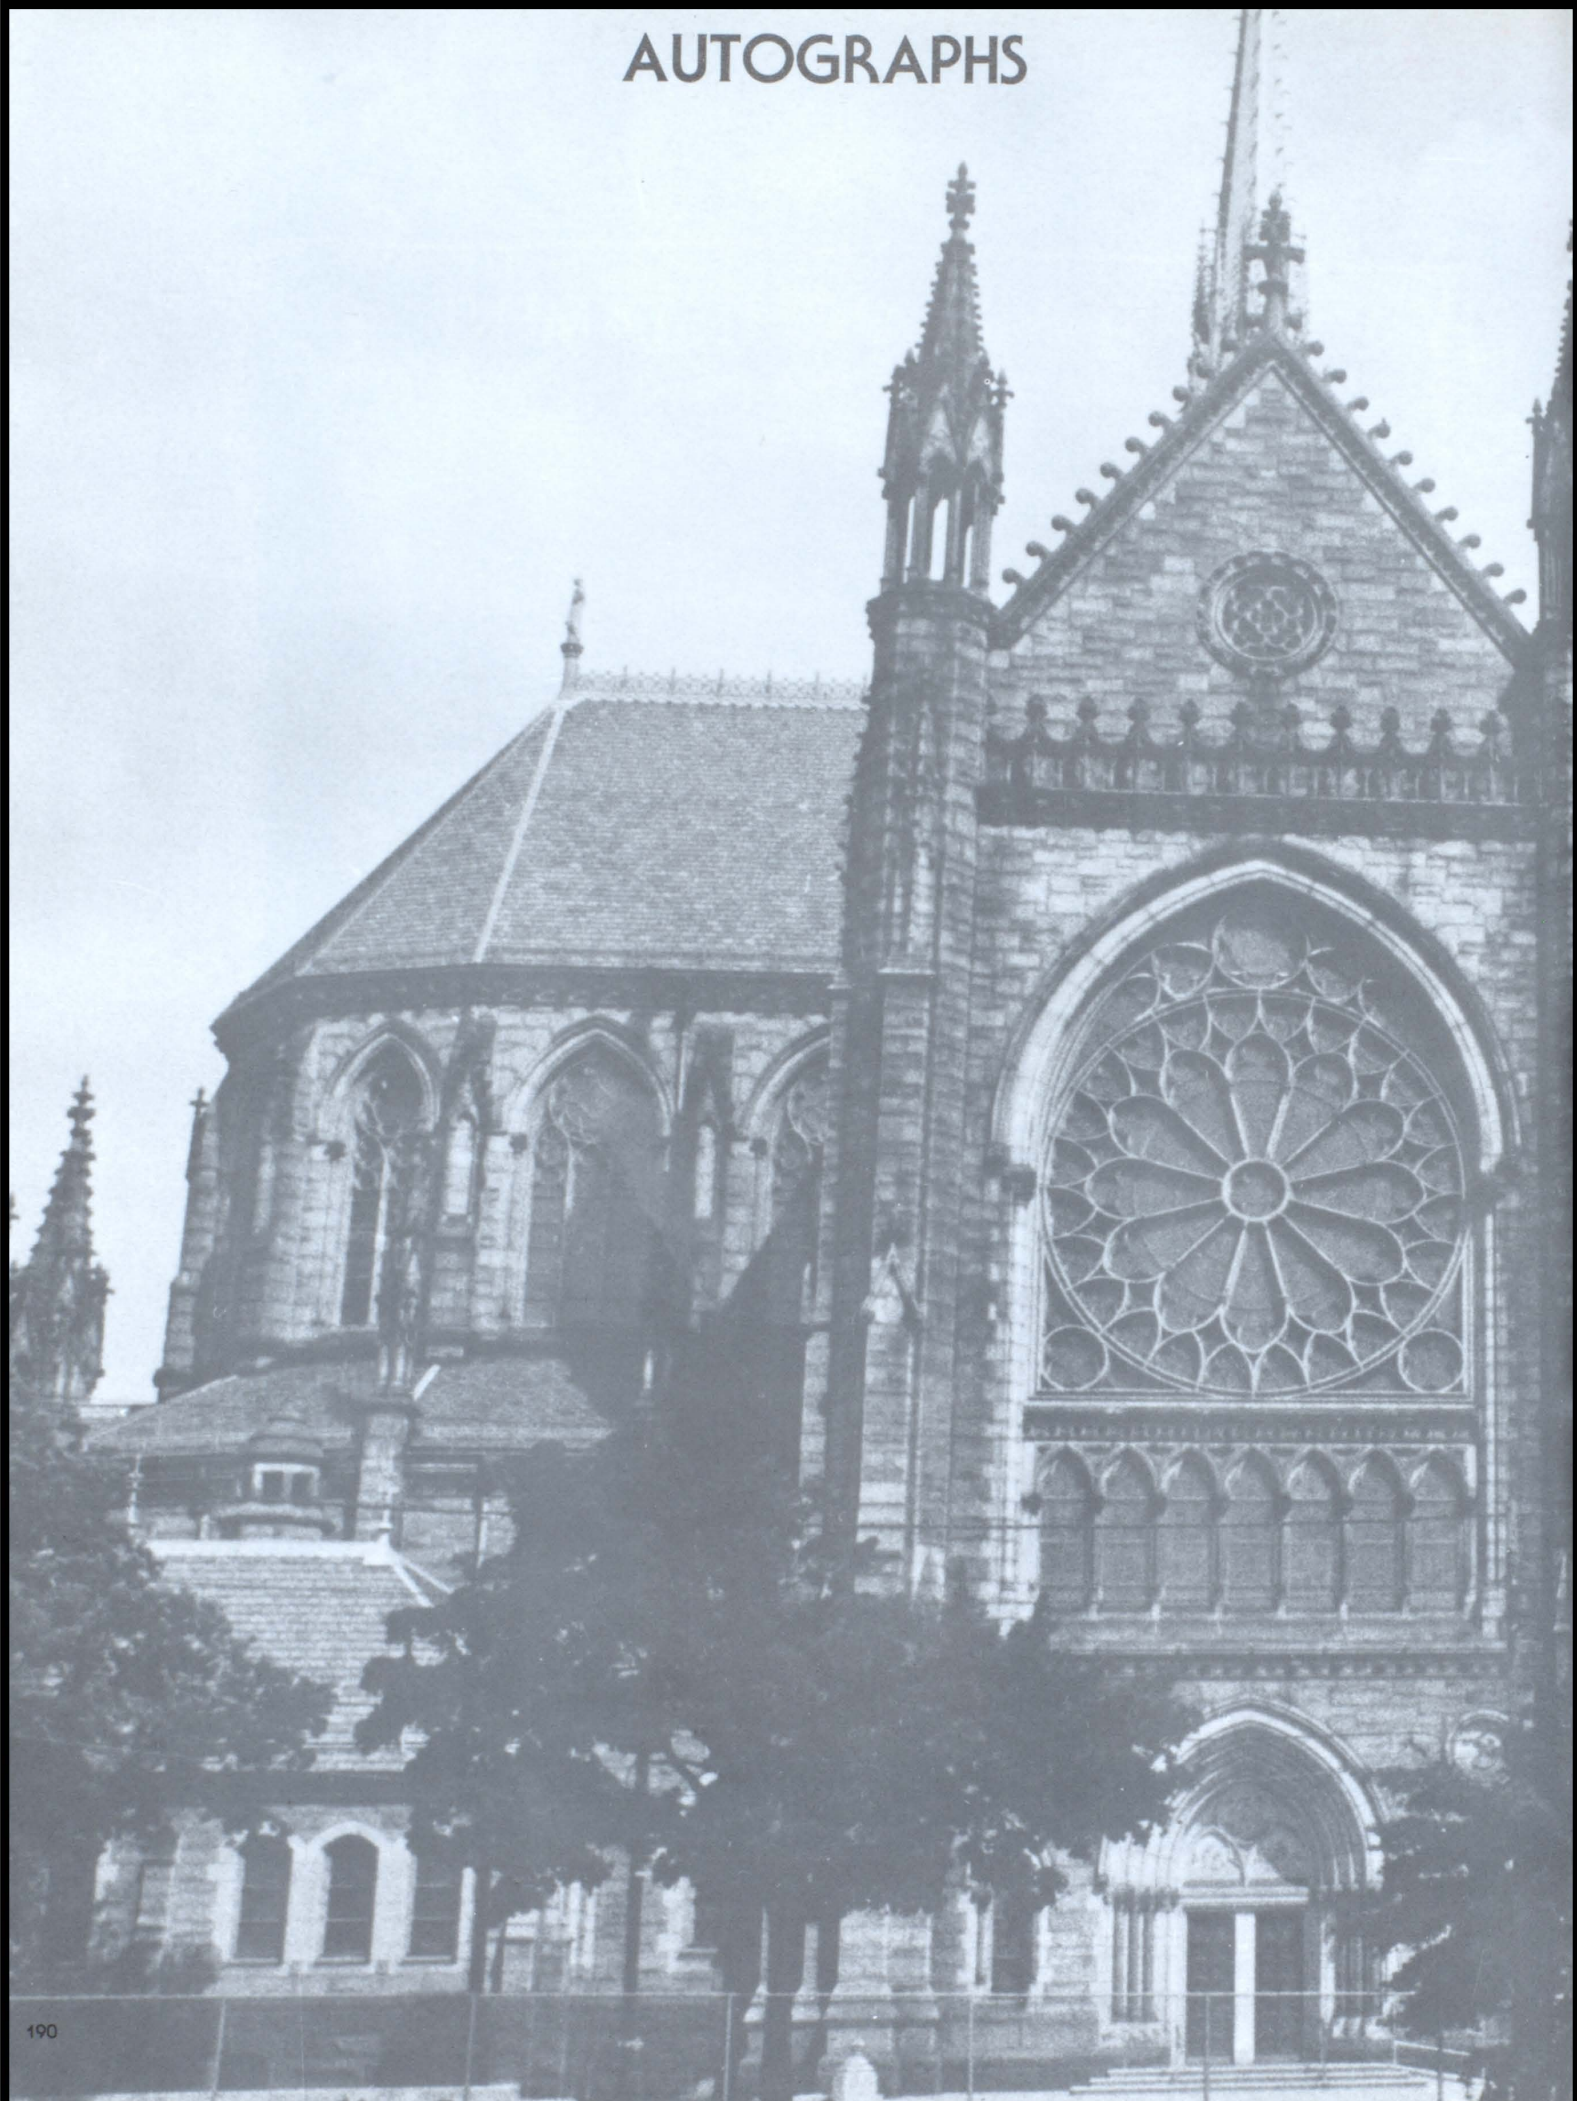

You went to places only both you and he knew of;
He showed you good times and when the time came, he revealed his love;
To you he was more than just a well-known friend;
Everything seemed so beautiful until he reached the end;
You wonder and ask yourself why did he go away;
Those tears you shed will hide behind every word you say;
Try and conquer the thoughts that weaken your mind;
Bring your head up high, remember he was one of a kind;
Now it's all over and still there is a memory for you and me;
Just think of what you once shared and that someday again with you he will be!

Like a Work of Art
We too are Eternal

As a poet fashions many copies

before his final piece,

we too must never give in to self pity or failure.

But seek alternatives
instead.

The dancer is precise

Every step rehearsed.

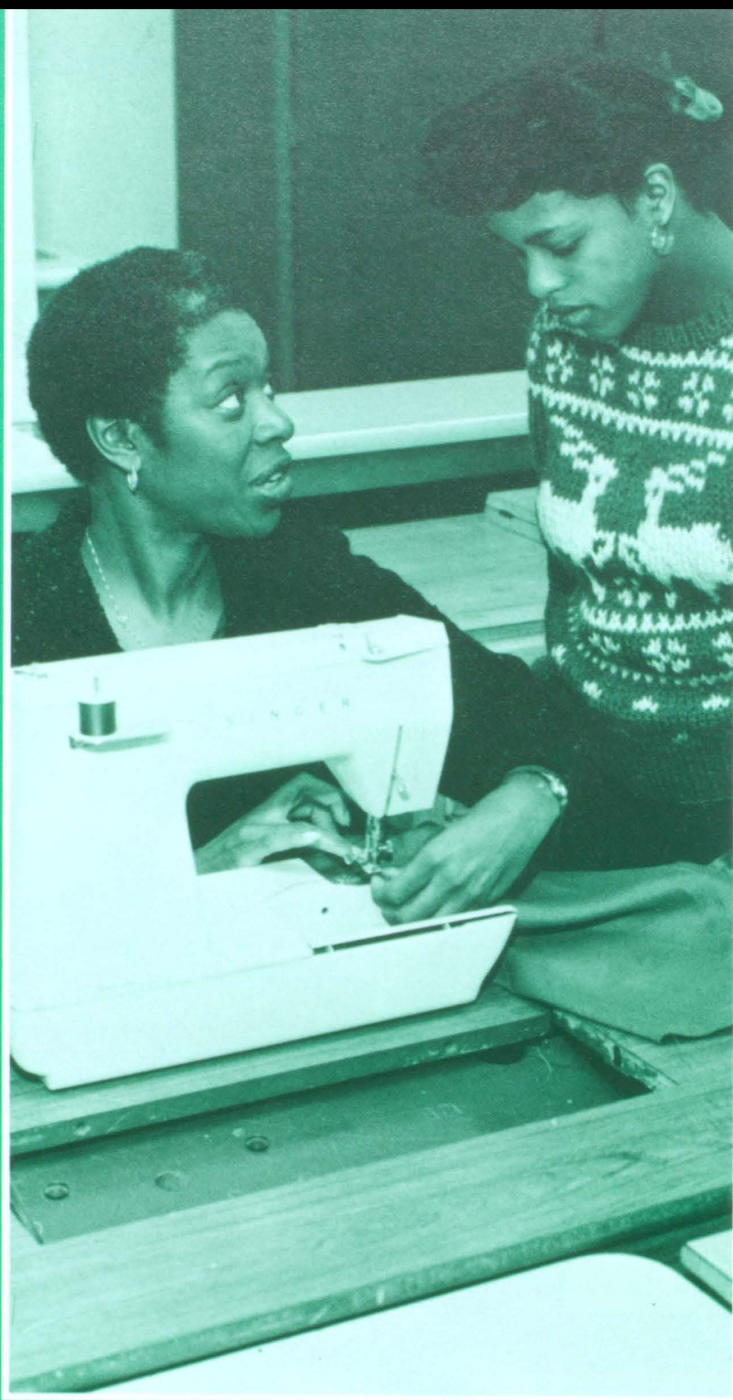

Exemplary of thinking before acting

or speaking

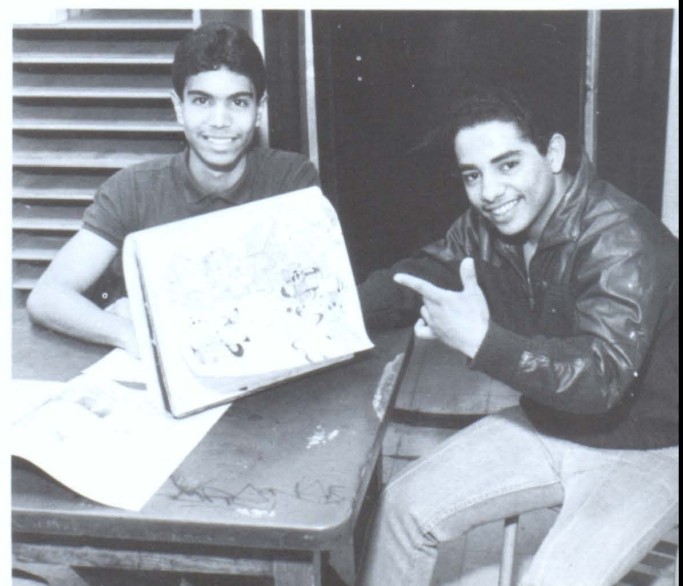

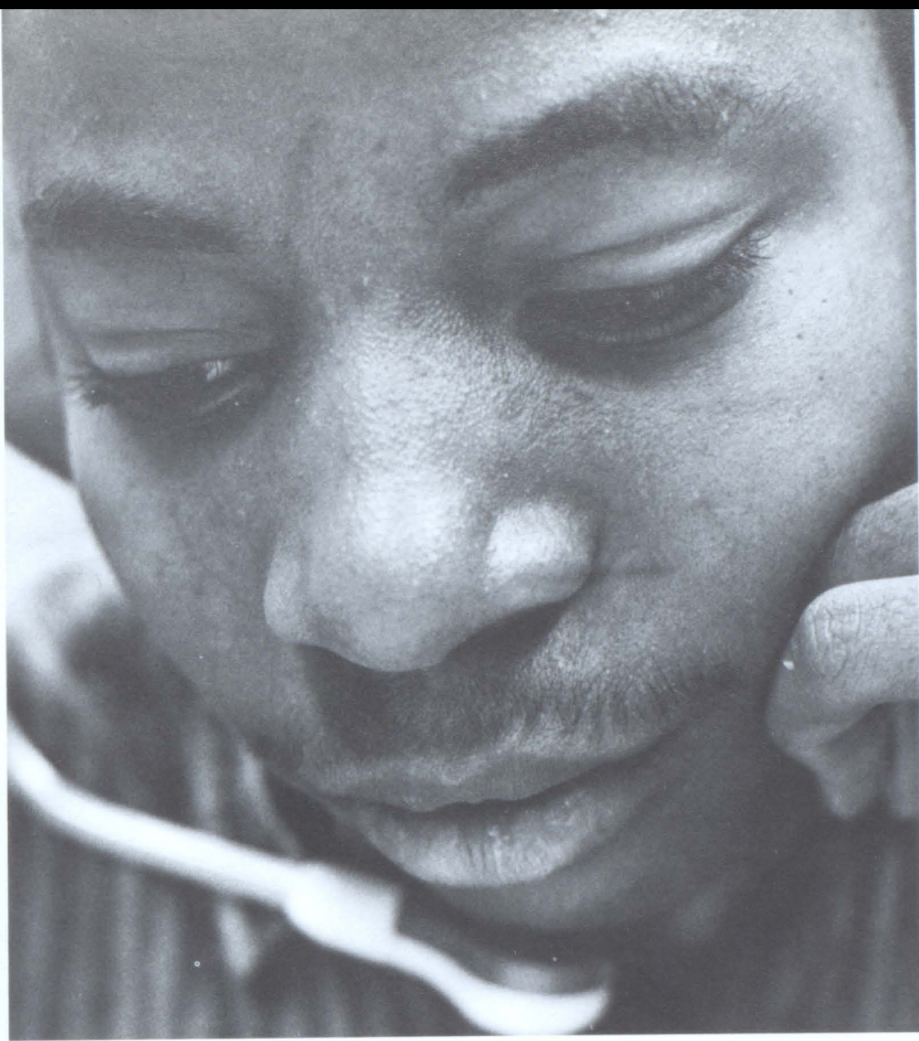

Like the actor, we must
give of ourselves to
others

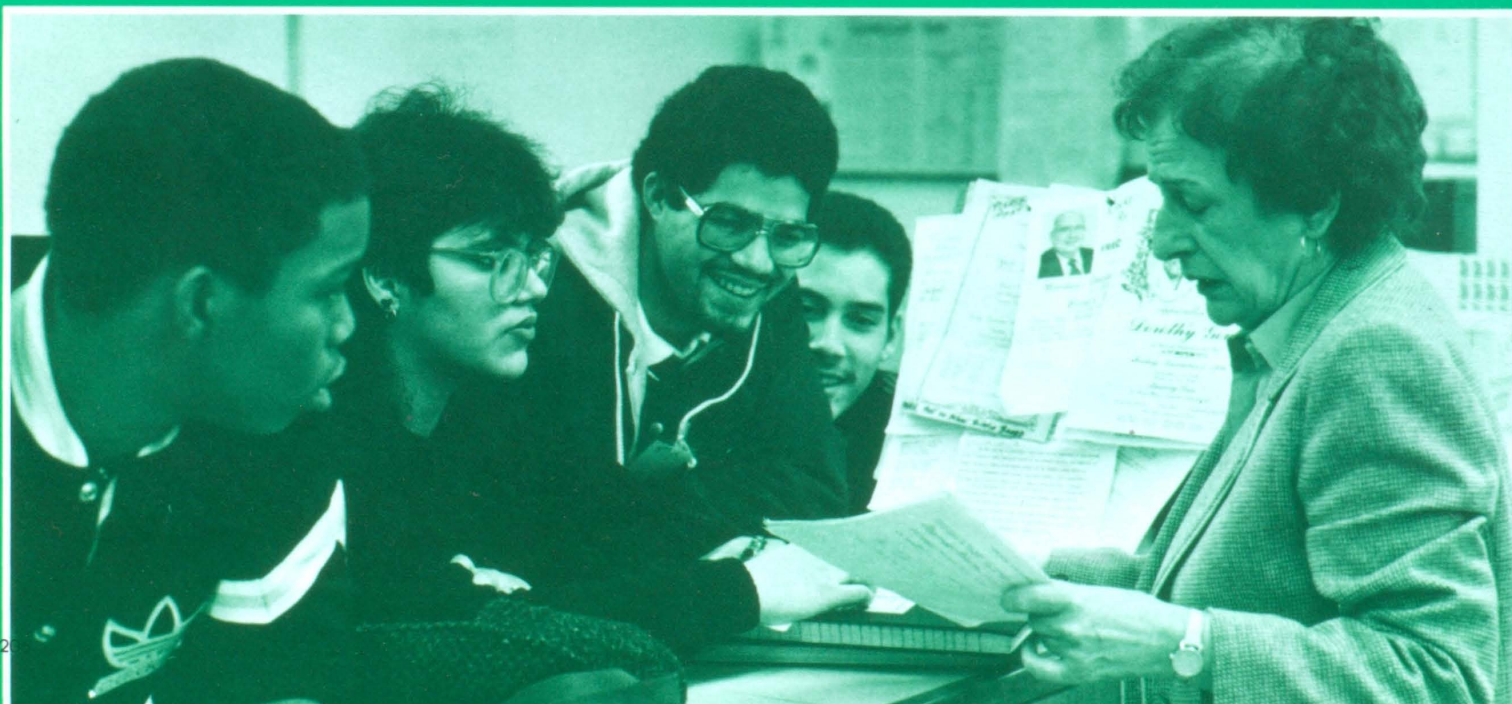

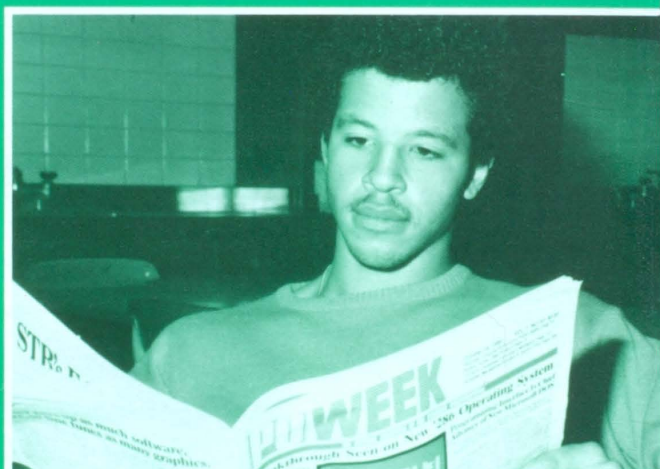

By being generous, courteous, and considerate.

So as we appreciate art, let others look at us in admiration

And let us appreciate LIFE.
